ELIJAH WOOD ON VIPERS

by Pastor Jeremy John Visser

(Elijah Wood on Vipers)

Recently, film actor Elijah Wood stated (like many before him) that Hollywood, California has been in a grip of a pedophile scandal "of the magnitude of Jimmy Savile in the UK." Having grown up in Hollywood during the mid-80's I find this latest confirmation not shocking in the least. There are simply no honorable actors in Hollywood as most - male and female alike - have been selected by "the casting couch" and not their ability to act, something even small children can do.

What's most interesting about the actor's statement is his blatant claim "**There are a lot of vipers in this industry, people who only have their own interests in mind**" when discussing this sexual abuse that has infected Hollywood's motion picture industry.

We hardly need to point out that jews own Hollywood as they've claimed this themselves on the cover of their jewish magazine "Moment" confirming what we in Christian Identity have warned for decades - Hollywood and the many media abominations coming from it are wholly jewish in creation.

Why does Elijah not call these predators pigs or dogs? He used the ancient and less-known Biblical term "vipers" in his interview to describe these perverts. This is the same word both John the Baptist and Yahshua used to describe "the lawless ones" in the pages of the New Testament.

Consider Luke 3:7; **"Then said he [John] to the multitude that came forth to be baptized of him, O generation of vipers, who hath warned you to flee from the wrath to come?"** Christ said the same of them in Matthew 23:33; **"Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?"**

Now, many will argue both John and Jesus were attacking the Pharisees in the above quotes without understanding who they ultimately became. Rabbi Louis Finkelstein, one of the leading authorities on Judaism asserted: "Pharisaism became Talmudism, Talmudism became Medieval Rabbinism, and Medieval Rabbinism became Modern Rabbinism. But throughout these changes of name, inevitable adaptation of custom, and adjustment of Law, the spirit of the ancient Pharisee survives unaltered. When the Jew reads his prayers, he is reciting formulae prepared by pre-Maccabean scholars; when he dons the cloak prescribed for the Day of Atonement and Passover Eve, he is wearing the festival garment of ancient Jerusalem; when he studies the Talmud, he is actually repeating the arguments used in the Palestinian academies."

We're also told in the 1980 Jewish Encyclopedia under the heading of Edom: "The Edomites are found today in modern Jewry." Furthermore, the Universal Jewish Encyclopedia says under the entry Pharisees: "The Jewish religion as it is today traces its descent, without a break, through all the centuries, from the Pharisees."

I affirm it's the Law of God written on Elijah's heart that caused him to refer to Jewish Hollywood pedophiles as "vipers." Yahweh cursed their wicked bloodline to be serpentine in Genesis 3:14-15 and this battle between Light and dark continues until this day. Mr. Wood refers to these pedophiles in Hollywood as viperous snakes because that's exactly what they are. A majority will think he just used a figure of speech but I think it's more - Elijah gave Christians further confirmation of the eternal Words of our Savior.

War for Christ!
